UNDERSTANDING AND RESPONSIBILITIES

By signing this form, I understand that I am responsible for the following:
- **Teaching 100% of competencies outlined in the articulation agreements with CCS**
- **Informing students of the Dual Credit opportunity (see statement that must be included in syllabus)**
- **Schedule a day for CCS to come out and assist with course registration (SERS, etc.)**
- **Submitting grades into the online registration system or other required process**

REQUIRED SIGNATURES

Career and Technical Education (CTE)

CTE Instructor Print   Signature   Date

CTE Director Print   Signature   Date

By signing this High School Request Form, the CTE director is verifying that the teacher(s) listed above are CTE certified with the proper V codes to teach in that particular discipline.

Syllabus Template

When configuring your syllabus, please include the following:

1. Course Name & Number

Provide your name, contact information (email & phone), room number, office hours, and semester(s)

2. Course Description

Include the length of the course, instructional hours, and a general course overview

3. Course Learning Outcomes

These MUST align with the SCC/SFCC course identified in the articulation request.

4. Methods of Instruction

Include the method of delivery (lecture, on-line, independent reading assignments, research projects, etc.) *How will you teach the course?*

5. Competencies and Skills

Include any competencies and skills the students should master by the end of the course. These can be outlined in the course learning outcomes section.

6. Course Prerequisites (Only include if applicable)

Include any prerequisites associated with SCC/SFCC courses. The students MUST meet college prerequisites to qualify for enrollment in a CTE Dual Credit course.
*If you are unsure of the prerequisites, please contact the appropriate college for information

7. Grading

Include your course grading scale with percentages and GPA

8. Assessment

Include any required assessment tools students will complete in the course. This can be such items as quizzes, exams, certifications, projects, internships, etc.

9. Important Course Policies

Include information such as attendance policies, participation, written formatting requirements, special accommodations, plagiarism, and other general classroom expectations

10. Course Outline

Include instructional topics with any associated assignments and due dates students need to know in advance

11. College CTE Dual Credit Program Statement

*This is **MANDATORY**. The following paragraph MUST be included somewhere on your syllabus.

This course is C
TE Dual Credit approved and articulated with CCS. Students who demonstrate proficiency of the college course competencies by receiving the appropriate grade for EACH semester enrolled in the articulated high school class, may earn college credit through the College CTE Dual Credit program. Only students who meet deadlines, eligibility requirements, and successfully complete the course with a grade of 2.0 or higher will be awarded college credit. Participation in the CTE Dual Credit program is voluntary. High school students registered in the Student Enrollment Reporting System (SERS) for CTE Dual Credit will follow CCS student policies for transcription of credit as the high school grading system may not exactly align with the College's. Credit and/or grades will not be removed once they have been transcribed.

Students may earn college credit for the successful completion following college courses: (Course Prefix and Number) (Course Name) – (Number of Credits) (Course Prefix and Number) (Course Name) – (Number of Credits).

EXAMPLE - Course Standards and Competencies: Child Development & Early Childhood

HS Course Title	College Course Title	Credits	Course Length (Yearlong or Semester)
Child Development 1 (90 hours) (Childcare Basics 30 hours)	ECED& 100 Child Care Basics	3	Semester 1
Child Development 2 (90 hrs)	ECED& 132 Infants and Toddlers ECED& 120 Practicum – Nurturing Relationships (22)	3 2	Semester 2
Early Childhood Education 1 & 2 (90 hrs)	ECED 191 Practicum: Observation and Assessment (66) ECED& 170 Learning Environments for Young Children ECED& 190 Observation and Assessment	3 2 3	Yearlong
